

www.rogervuataz.ch

Created by the Association Roger Vuataz to promote the work of the Swiss music composer, the website www.rogervuataz.ch has been put online since 2009. It contains his biography, the excerpts of some of his numerous written works, as well as the complete catalogue of his compositions (133 opus).

Several short extracts of his music can be listened online, but most of all, since 2010, it is possible to download 12 CDs separately at a reasonable cost, containing a great variety of Roger Vuataz's music.

This website has been possible through the financing of :

the Romande Lottery
Françoise & Guy Demole
the Hans Wilsdorf Foundation
the County of Chêne-Bougeries
and the City of Carouge (canton of Geneva).
